This diversity is one of the most valuable aspects of the Academy, along with the main objective of leading students to be independent learners who are inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced and reflective individuals. The best reflection of globalization, SZIA's family constitutes of 22 different nationalities; a great multi-cultural learning experience indeed! The teaching-learning process, applied through latest technologies to meet the rapid development of societies, is research and project based, and reflects ultimate respect and appreciation to all nations.

## Curriculum

### SZIA - AN IB WORLD SCHOOL

SZIA was awarded candidacy in all three IB International Baccalaureate Educational programs in February 2015-IB DP, IB MYP, IB PYP. SZIA was the only school in Pakistan to opt for all three programs at one time. In a short span of time, one year of hard work, the Diploma Program IB DP was authorized by IB in 2016. Subsequently, PYP and MYP Programs were granted authorization recently in May and June 2019 with noteworthy commendations from the IB.

### IB MISSION STATEMENT

IB World Schools share a common philosophy and a commitment to improve the teaching and learning of a diverse and inclusive community of students by delivering challenging, high quality programmes of international education that share a powerful vision. International Baccalaureate IB is recognized around the world for excellence in education. It aims to develop the intellectual, psychological and physical potential of each child in a thought provoking environment.
